On separate sheets, please write a concise statement of your proposed program of study abroad and how it relates to your present academic program. You should also discuss your goals for the study abroad program and how you hope to gain from the experience, personally, academically, and/or professionally. In addition, include a paragraph describing how you have prepared for living internationally and any past experiences that have helped prepare you for studying abroad.

The statement should be 2 to 3 pages, typed and double spaced. Submit your statement to your Academic Advisor or Department Chair for review and her or his signature (see below). Attach this signed form to the statement. Please be sure to include your name, program name, and term abroad in your study statement.
